

**WORTHINGTON**  
ENTERPRISES

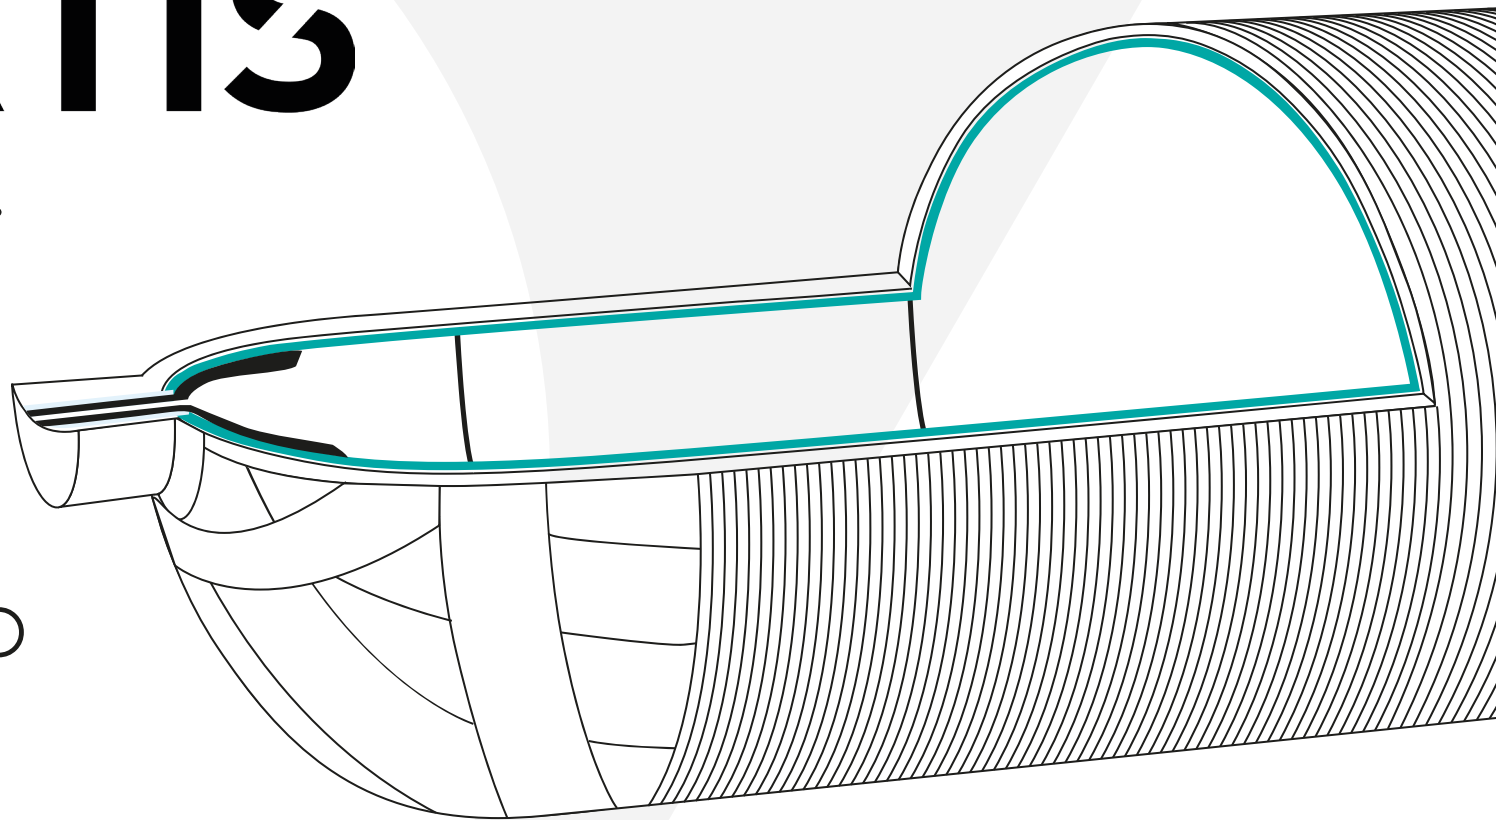

# FOURTIS

TYPE 4 CYLINDERS.

Light(er).  
Strong. Safe.

DO YOU WANT TO  
REDUCE YOUR  
LOGISTICS' CO2  
EMISSIONS?

**WORTHINGTON CAN HELP!**

With a polymeric liner and full carbon-fiber wrap, Worthington **FOURTIS** high-pressure Type 4 cylinders put you in the elite class – offering you gas packaging that weighs up to 75 percent less than steel.

We offer best-in-class, engineered solutions for for passenger, commercial, off road and heavy duty vehicles as well as ships, trains and storage & transport applications in various geometries, volumes, and pressure ranges.
